The following information is provided to you as a guide regarding the care of your Uniform purchases. We highly recommend following these instructions to ensure the life of the garments. Please contact the Uniform Shop if you have any queries. Please read all garment labels to ensure the correct washing instructions are met.

BLAZER

- Spot clean with a lint free cotton cloth using cold water
- Air garments in the shade to release perspiration / odours.
- Dry clean ONLY. We recommend once a year or as required by your standards
- We do not recommend machine washing as the Blazer will lose shape
- Do not iron

KNITWEAR *Pullovers, Cardigans, Vests*

- Wool wash detergent is highly recommended
- DO NOT use detergents which contain “enzymes”
- Machine wash inside out on a delicate/wool cycle
- Garments are made from 80% merino wool, therefore for best results, simply air the garment in the shade.
- Spot cleaning and airing the garment is more effective than washing too frequently.
- Dry the garment flat and in the shade. Avoid direct hot sun
- Do not dry on clothesline...garment will lose shape
- May be tumble dried on a warm cycle (inside out)
- Dry cleanable
