**Before School Care: 6:30am—8:30am**

**After School Care: 2:45pm – 6:30pm**

## Out of School Hours Care

Our program is based on Australia's first National Quality Framework, designed specifically for OSHC (for full version [www.acecqa.gov.au](http://www.acecqa.gov.au)) which aims to extend and enrich children's wellbeing and development in school age settings. The OSHC environment, resources and equipment provide opportunities for children to engage in self-initiated and spontaneous play. Activities may include art and craft, science, sports and games, indoor and outdoor activities, music, dance, drama and cooking. Opportunities for children to complete homework are provided.

## Health and Nutrition

The service encourages positive learning experiences during snack times where good food habits are developed in a happy, social environment. A healthy balance and varied afternoon tea will be provided. The service provides opportunities for children to experience food from different cultures. Menus are provided at the service.

## Staffing

Our services are staffed by a dedicated team of education professionals who support and respect the uniqueness and individuality of children and their families. The day to day operations of each OSHC centre is managed by a Service Coordinator and supported by an Area Supervisor.

## Child Care Subsidy and Transition to Work

The Australian Government provides families with two types of financial assistance to help cover the costs of approved child care. These are Child Care Subsidy (CCS) and Transition to Work. The Child Care Subsidy is income tested. These subsidies must be applied for through Centrelink and will be automatically linked to the service when you provide your CRN and other enrolment details.
