

## Year 7 Formal Assessment Schedule - Term 1, 2019

6th February, 2019

Dear Parents/Carers,

During the Parent Information Night on Wednesday 6th February 2019, we presented information on our College's Assessment Plan for Middle Years Learning. ***As we mentioned, assessment is ongoing and our teachers are continuously collecting data to help determine your child's grade for each Key Learning Area (subject).***

In addition to this, Middle Years Learning students will receive *Formal Assessment Tasks* via a notification which outlines the details of the task and date of submission. These tasks are designed to develop students' time management and organisational skills by working towards a deadline and ensuring they start working on a task well before the due date. It is important to note that a formal assessment task is ***one*** piece of evidence teachers will consider when determining an overall grade.

The table below briefly outlines the *Formal Assessment Tasks* for Year 7 in Term 1. We hope this will provide some additional information to parents/carers regarding upcoming tasks and due dates to encourage a working partnership between home and the College. As previously mentioned, your child will also receive a notification which explains the task in detail.
