Year 9 Formal Assessment Schedule - Term 3, 2024

Assessment is ongoing and our teachers are continuously collecting data to help determine your child's grade for each Key Learning Area (subject).

The Formal Assessment Schedule outlines the details of the task and date of submission of formal tasks only. These tasks are designed to develop students' time management and organisational skills by working towards a deadline and ensuring they start working on a task well before the due date. It is important to note that a formal assessment task is **one** piece of evidence teachers will consider when determining an overall grade.
